Crisis Quotes for the Moment*  
(Week of April 7, 2021)  

* 2020 was a watershed year as momentum around crisis was already building (Beyond Beds, etc.) But, COVID-19, race and equity and 988 supercharged moment.
White washed fluorescent-lit emergency department for hours... vs...

If a picture is worth a 1,000 words, a field visit to someone’s home is worth a million.
