

Estimate potential differences in utilization between current state and the Crisis Now model

Estimated episodes served annually

Based on a population of: 327,144,582

Site	Current state	Crisis Now
Mobile crisis teams	0 eps	2.9M eps
Crisis receiving chairs	0 eps	5.7M eps
Short-term crisis beds	0 eps	2.0M eps
Emergency department	0 eps	1.3M eps
Acute inpatient beds	0 eps	1.8M eps

How many episodes do you currently serve per month at sites of care in your community?

For the acute inpatient beds, crisis receiving chairs, and short-term crisis beds, the number of monthly episodes takes precedence over other figures, such as occupancy rate
