09:43:27 From Karen Jones : 🍌

09:43:51 From Keris Myrick : 🍌 YA Debbie

09:44:30 From kate dahlstrom : Dr. Amador also endorses determining what a care recipient wants to accomplish with their life. But some persons with anosognosia, like our son, thinks his life is fine, but he hasn't worked in years, has spent many months in jail, etc. Won't take meds.

09:44:32 From Lois Gillmore, she/her, SAMHSA REG 10 : Way to go!!

09:45:29 From Sosunmolu.shoyinka@phila.gov : Ms. Dhingra, Philadelphia's Family Advocates conducted an extensive review of the MHAD process, including the documentation process. One finding was the actual process for completing the MHAD was lengthy and fairly complex. Those findings are currently being reviewed with the state office of mental health with a view to simplifying the process.

09:52:43 From David Covington, LPC, MBA RI International (he/him) : How exciting!

09:52:52 From Amy Brinkley (NASMHPD) : Oh wow! Congrats!

09:53:05 From Anonymous : Re: The public-pollled survey question around moral leadership around the atrocities committed in the name of mental health two centuries ago -- another question to consider is: Who will be the "moral" leader in the 21st Century (one quarter in) regarding the atrocities committed in so many healthcare facilities, particularly inpatient psych units from private to public institutions...? Peut-etre some members of Congress that some of...us(?) have been petitioning and seeking redress and encouraging to have qualified, legitimately hired and retained congressional staff participate in these weekly calls.

09:54:49 From Erica Ruff (she/her) : Is there any update on when the SAMHSA Playbooks will be distributed?
