09:07:12 From Margie Balfour : Reminder that the comment period for the draft CARF crisis accreditation standards are open through August 22. They include crisis call/contact centers and crisis intervention, which could include mobile crisis, crisis evals embedded in emergency rooms, crisis intervention/urgent care clinics. They did crisis stabilization centers right before covid, and will be repackaging all of the crisis standards into a new crisis section of their 2023 Behavioral Health Standards Manual. <https://www.surveymonkey.com/r/CrisisPrograms-IAC>

09:10:55 From David Covington : "We say yes"/

09:11:02 From Stephanie Barrios Hepburn : Love that, Rep. Orwall. "Open Doors."

09:11:39 From Arrow Foster : Great Philosophy!

09:15:50 From Michelle Nunemaker, Nebraska DHHS-DBH : What does staffing look like especially with current workforce challenges?

09:15:52 From Rebecca A Frock : Wow that's brilliant Jeff!

09:15:55 From Tina Orwall, WA Rep (she/her) : Nice reflection

09:16:15 From Rebecca A Frock : did he say 70%?

09:16:21 From Rebecca A Frock : thx

09:17:05 From Leo Petrilli : Jeff, thank you for all that you do. I have a question, please. How has the pandemic affected youth, specific to Maslow's Hierarchy of Needs?

09:17:20 From David Covington : that's a really breakthrough idea

09:17:46 From David Covington : seeing the provider within 20 minutes

09:19:31 From Keris Myrick : How have you utilized Peer , Family and Parent supporters?

09:20:18 From Monica Luke - she series : team based follow up is so key - amazing how you've managed to implement it

09:22:32 From Krista Hausermann : Are kids and adults in the same physical space?

09:22:57 From Tina Orwall, WA Rep (she/her) : Do you have specialized training such as DBT or other cognitive approaches?

09:23:09 From Courtney Gallo Hunter (she/her) : how does Mind 24-7 look at integration within the medical mainstream I.e. primary care? simply a referral from primary care?

09:23:23 From Shina Animasahun : Is there any screening for head injury?

09:23:47 From svm pr & mrktg // jenny : Amazing work, thank you for sharing.

09:23:49 From Tenasha Hildebrand : Great presentation Jeff!

09:24:01 From Ari : Are you growing outside of Arizona?

09:24:15 From Amy Cohen, PhD (APA) : quite a wide swath of presenting issues that you are addressing. truly open door.

09:24:16 From Shina Animasahun : Wonderful presentation! Thank you Jeff!

09:24:25 From Jeff Spight : we do have plans to be nationwide

09:24:28 From CJ Loiselle, Arizona AHCCCS : Great presentation Jeff! AZ Is so thankful for the work you and your team are doing!

09:24:29 From Krista Hausermann : Great presentation. I would love to have a more detailed presentation and I bet a lot of others would as well.

09:24:41 From kate dahlstrom : Do you have a medical clearance protocol?

09:25:03 From Donna Obermeyer : I want more of this in WA state. our Emergency rooms are overflowing as well. thanks for sharing this!

09:25:41 From Tina Orwall, WA Rep (she/her) : Yes Donna I strongly agree!! Working on a youth crisis campus...

09:26:20 From Donna Obermeyer : we have crisis stabilization for kids in our 2 counties and they focus on diverting kids from the emergency room

09:26:32 From kate dahlstrom : Yes would like to know about architect.

09:27:30 From Sarah Blanka OBH : Has there been consideration for Mind to have embedded mental health professionals in traditional urgent cares?

09:27:46 From Tina Orwall, WA Rep (she/her) : Holding a large youth forum to gain feedback on what our crisis service locations should look like and how to best engage youth

09:28:09 From Jeff Spight : we do telepsych support on a B2B basis for schools and primary care providers

09:28:17 From Donna Obermeyer : we have some crisis stabilization services in a few pediatric offices

09:29:25 From Dr. Jenn Carson : I am a child suicide attempt survivor and the Attempt Survivor/Lived Experience Chair Division at AAS. Thank you for this spotlight on our children and youth.

09:30:04 From Dawn Peel : Does MIND 24/7's crisis center (Temporary Observation unit) accept voluntary and involuntary individuals?

09:30:22 From Jeff Spight : we absolutely could do both

09:30:32 From Tina Orwall, WA Rep (she/her) : Such an important topic! Hope to learn more!

09:30:53 From Leo Petrilli : Dr. Jenn, thank you for being vulnerable and honest.

09:31:31 From Rebecca A Frock : Trying to implement this in New Mexico and would love to schedule some time if possible with Jeff.

09:31:31 From Donna Obermeyer : forced hospitalization is very legalistic for adults but our kids system is kinder

09:32:01 From Tina Orwall, WA Rep (she/her) : Cozy Starbuck look

09:32:41 From Denise Sulzbach (she, her) : Jeff's emphasis on the need to customize for children and families is very well placed. Here's another NASMHPD on making the case for that customization (from 2018 - but still very relevant)

09:39:02 From Amy Cohen, PhD (APA) : whoa

09:39:29 From Amy Cohen, PhD (APA) : that is fascinating to hear of that drop

09:39:36 From Hannah Wesolowski, NAMI (she/her) : Agreed, Amy!

09:39:55 From Margie Balfour : Because I'm a big nerd, a while back I took 5 or 6 years of data from our youth crisis unit and you can calculate a seasonality coefficient and project the drops in volume pretty closely. It drops a lot in summers!

09:40:18 From Hannah Wesolowski, NAMI (she/her) : Margie, that's fascinating. Love that you did that!

09:40:34 From Keris Myrick : @Margie - i see the wheels turning!

09:40:38 From Amy Brinkley (NASMHPD) : Interesting.

09:40:45 From Michael Allen : What happens in the fall?

09:40:48 From Susan Robinson : school and school day schedules are stressful for children and youth!
