Full implementation of 988 requires a bold vision for a crisis care system that provides direct, life-saving services to all in need. This leads to many questions about 988... questions SAMHSA welcomes.

Which of the following is not an answer on the SAMHSA **988 Basics** FAQs website?

A: Calls may be recorded for quality assurance

B: You may be required to provide personal data

C: Calls are routed based on your phone's area code

D: For anyone, including a substance use crisis
