Director of Crisis,
Cultural,
Prevention, and
Court Programs,
Mercy Care

Becker's Hospital Review publishes the hospitals with the most ER visits. In 2019, Parkland Health and Hospital System in Dallas, Texas was the busiest emergency room in the United States, where nearly 8 million live in the metro area.

Of the following, which was the least busy hospital emergency room in that same year?

A: Atlanta's Grady Hospital

6m

B: Boston Medical Center

5m

C: Fayetteville, NC's Cape Fear Valley Medical

0.5m

D: NYC Health & Hospital Lincoln

20m

Emergency medical services work the same in rural America, it just means a longer drive. 15 minutes from Grady includes a population of nearly 850,000. 50 minutes from Cape Fear does the same.

Of the following, which was the least busy hospital emergency room in that same year?

A: Atlanta's Grady Hospital

6m

B: Boston Medical Center

5m

C: Fayetteville, NC's Cape Fear Valley Medical

0.5m

D: NYC Health & Hospitals Lincoln

20m
