In 2017, NASMHPD initiated a business case analysis of Crisis Now, studying the impact of Maricopa County's crisis continuum and specific practices (Greater Phoenix, Arizona).

Which of the following was NOT one of the annual outcomes?

A: 37 FTE Police Focused on Public Safety

B: Reduction 5 Years Unnecessary Jail Time *

C: BH Spending Reduced \$260 million

D: Reduction 45 Years Psych Boarding*

* Cumulative Total

NICK MARGIOTTA

President, Crisis System Solutions

The team believed these crisis services had a substantial impact reducing unnecessary jail incarceration, but the authors could not obtain the data or modeling required for a thoughtful analysis of specific impact.
