09:58:17 From Sarah Corcoran, GCS (she/her) : Hi Suzanne - it's just discretionary appropriations numbers including SAMHSA, Funding through CMS for mobile crisis doesn't get a specific budget line item/amount. That is based on how many states participate and the usage in comparison to the federal Medicaid bump percentage. They also have other entities like HRSA included within the HHS budget in brief (request) for FY23.

09:58:45 From Jeanette Tecca PSS Park County Sherriff : Thank you from Livingston MT.
