- 09:47:39 From Sonja Burns : @Deb Pinals - In Texas, our state hospitals must comply with EMTALA, but there has been a real push to block voluntary (walk-ins) admissions due to the HUGE forensic waitlist. Should the state hospitals begin to serve only forensic populations, will they then no longer be expected to comply with EMTALA - as incarcerated individuals will not have active benefits under CMS?
- 09:50:49 From Sarah Brummett (she, her) : Thanks DeQuincy for sharing!

- 09:59:45 From HARDEND : Good Morning All, I've only been regularly attending the 988 Crisis Jams for the past month or two. I'm so impressed and thankful for all of your individual and collective work, dedication and successes. I'd like to get your opinion on this idea: When each 988 Crisis Jam session begins, post a survey popup to allow attendees to rate their happiness level. Entries would be anonymous, and allow anyone on the Jam to reach out if they choose. I just thought this might help us watch our own on their health and safety. Thank You
