

Fiscal Responsibility Act of 2023

Overview and Impact

Impacts on FY24 & FY 25 Appropriations

Process:

Through Regular Order:

- Overall FY24 non-defense spending potentially close to FY23 levels with some savings/IRS cuts

If a Continuing Resolution is Needed in the New CY in 2024 and/or 2025:

- 1% across-the-board sequestration/cut

Recissions from the American Rescue Plan

(P.L. 117-2)

Claws back any unobligated funds from the following items:

- MH/SUD Training for Healthcare Professionals (Sec. 2703, Appropriated at \$80m)
