In Crisis Jam Episode 36, Connections Health Solutions co-founder Dr. Chris Carson said this practice/policy is a fallacy and the root of barriers to accessing crisis care. He called it a shield.

What practice/policy was he talking about?

A: Age Limitations

B: 8am to 5pm Hours

C: Substance Use Exclusions

D: Medical Clearance

Since the early 2000s, Arizona law enforcement has transported hundreds of thousands of people with a behavioral health emergency directly to Crisis Receiving Centers, without any visit to a hospital for medical clearance.
