*What was the film on adolescent awkwardness featuring Hailee Steinfeld grieving her dad's loss?*

**A:** Booksmart

**B:** The Edge of Seventeen

**C:** Eighth Grade

**D:** Lady Bird

One review called it a great film about the loneliness of growing up: “Nadine’s fear of being alone, of nobody really liking her, of never being enough for anyone, of being forgotten by everyone around her – these are all fears that stick with you even after your teenage years are over.”
