A modern, multi-story building with a light-colored facade and large windows. The building is labeled "Franklin County Crisis Care Center" on its upper level. In the foreground, there is a parking lot with several cars, a person walking, and some landscaping with purple flowers. The sky is clear and blue.

On page 388, under a section on treating behavioral health conditions, CMS solicits comments on payment for services furnished in settings including Crisis Stabilization Units and Urgent Care Centers.
