SAMHSA's 988 BHCCO is revolutionizing crisis care with its mission to ensure anyone, anywhere, can access seamless support at any time. This groundbreaking effort mirrors the transformative impact of 911 and the Office of Emergency Medical Services, which began in 1973.

IN WHICH DEPARTMENT IS THE OFFICE OF EMERGENCY MEDICAL SERVICES (OEMS) HOUSED?

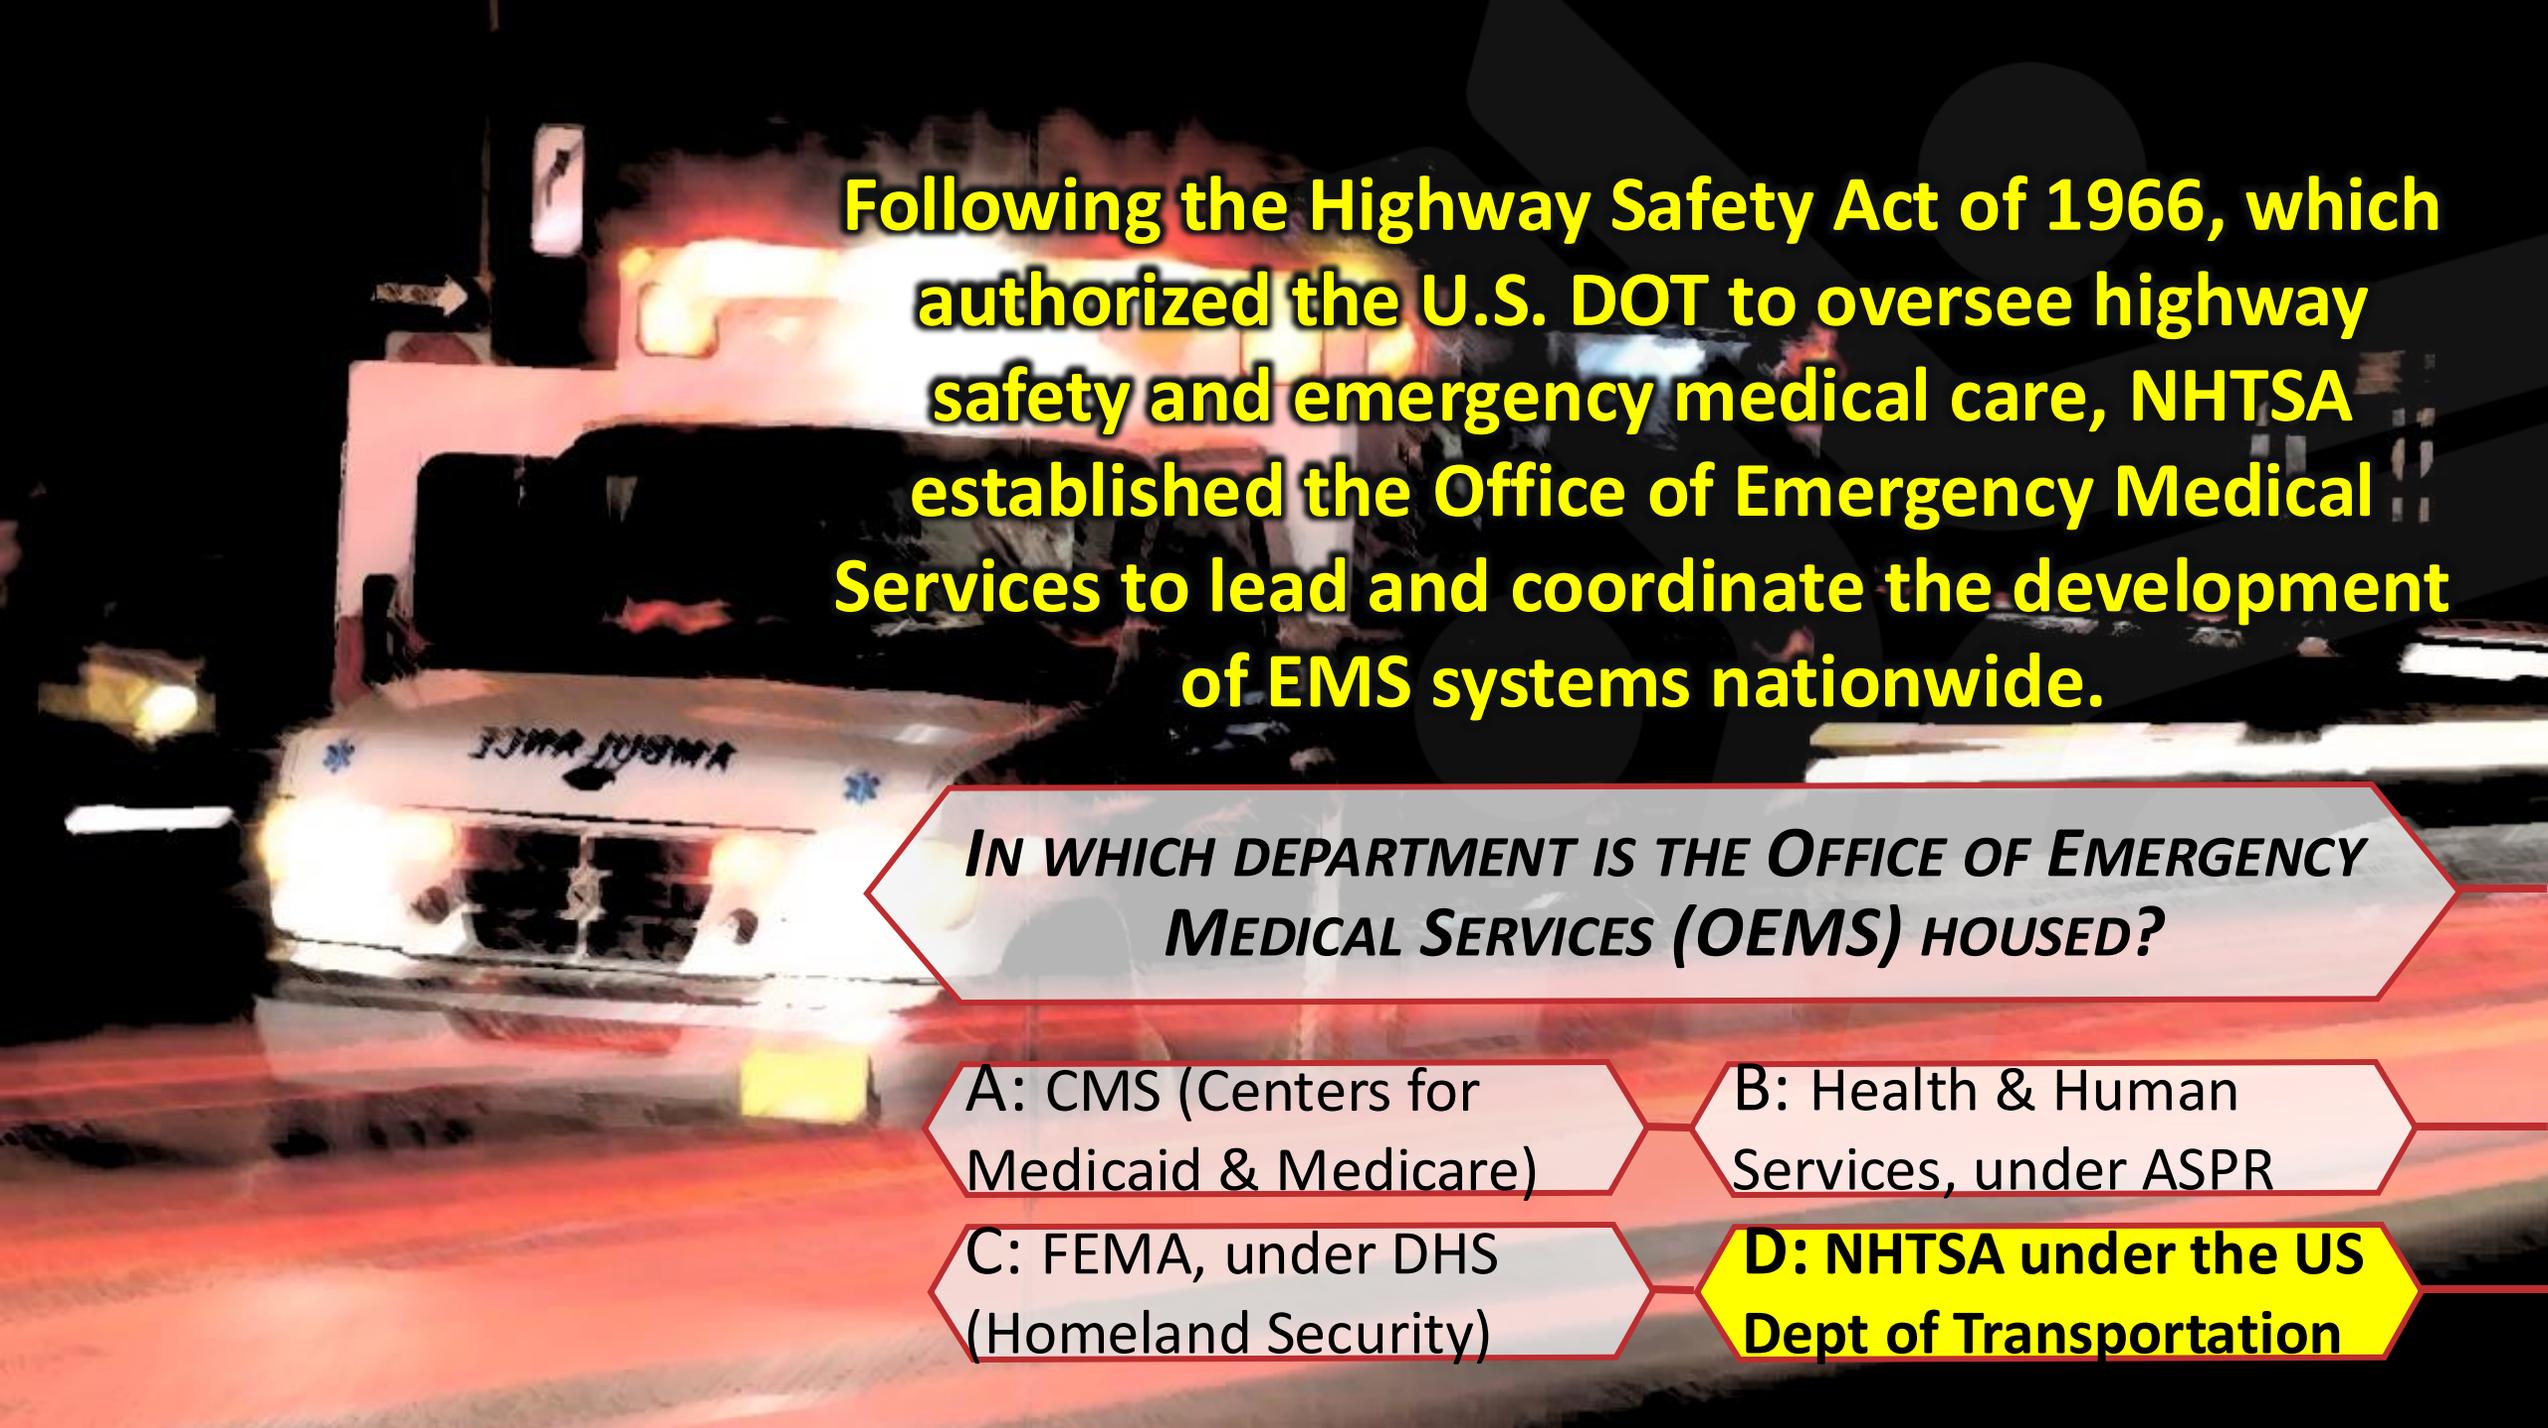

A: CMS (Centers for Medicaid & Medicare)

B: Health & Human Services, under ASPR

C: FEMA, under DHS (Homeland Security)

D: NHTSA under the US Dept of Transportation

Following the Highway Safety Act of 1966, which authorized the U.S. DOT to oversee highway safety and emergency medical care, NHTSA established the Office of Emergency Medical Services to lead and coordinate the development of EMS systems nationwide.

IN WHICH DEPARTMENT IS THE OFFICE OF EMERGENCY MEDICAL SERVICES (OEMS) HOUSED?

A: CMS (Centers for Medicaid & Medicare)

B: Health & Human Services, under ASPR

C: FEMA, under DHS (Homeland Security)
