

## WHICH OF THE FOLLOWING WAS THE EARLIEST PEER SUPPORTS INNOVATOR?

The peer movement's roots can be traced back to many pioneers. One of the earliest hired those with lived experience because they were "disposed to kindness." ❤️

**A: Bill Wilson, AA**

**B: Jean Baptiste Pussin\***

**C: Clifford Beers, MHA**

**D: Jan Foudraine\***

\* Hospital Administrators in France and the Netherlands, respectively

## B: Jean Baptiste Pussin

In 18th century France, Pussin and former patient and chief physician Philippe Pinel teamed up to revolutionize care—removing restraints and ending routine abuse at Bicêtre Hospital. 🕊️ 🤝

A true peer support pioneer.
